Overview

1. With enough time and experience, you will have four types of students:
 - a. Those that were nice but not memorable
 - b. Those who were not nice - Memorable
 - c. Those who were unsafe - Memorable
 - d. Those who turned into friends - Memorable
2. Brilliant - Finished an instrument rating with Jeff in less than 20 hours. But there is more:
 - a. Graduated with a degree in Physics at 20
 - b. Earned a Ph.D. from Cambridge in England in Semiconductor Physics at 24
 - c. Earned an MBA from Harvard at 26
3. Crazy - Harley Dude
4. A Case Study in Risk Management - "The Walking Dead."
5. The youth - The oral is a single question!
6. Owner/Operator Private Pilot Checkride - "Can you take it for a minute?"
7. Wiggle room - "Traffic!"
8. The FAR/AIM Book and the E6B are weapons! - That's why I don't like paper and the E6B
9. People can perform unpredictably under the pressure of a checkride - "I gotta GO FOR IT!"
10. Introducing Greg Brown's most memorable - Take it Away Greg.
