

Your Instructor – Mike Shiflett, Director of Training, CFII,MEI, ATP – Former FAA Designated Pilot Examiner for Initial CFIs and UK CAA Examiner.

Airman Etiquette

- There are things that aren't in any book, the unwritten rules
- You'd need to be told these rules
- It's catching on - Flight schools are beginning to use my new book and add their own stuff to it.
- Look in your email for discount coupon codes for some of our best products!

Questions?

- Initial CFI-A – August 3 - 9th (KPAO and KOPF)
[Click Here to Learn more about our Initial CFI Course](#)

The next Power Hours

- August 8th - Aerodynamics part two - forces in a climb, descent and turn and load factor and V_a - You'll finally understand it.
